

GOVERNMENT DEGREE COLLEGE, RAVULAPALEM

DEPARTMENT OF CHEMISTRY

Activity-NATIONAL SCIENCE DAY

REPORT

ON

28-02-2022

Copy of the Resolution, Dated 14-02-2022

The Departments of Chemistry(Govt Degree College, Ravulapalem) conducted National Science Day on 28th February, 2022.

Members Attended : 1. Sri Dr.C.Krishna,Principal
2.Satya Murthy, Vice Principal
3. Smt K.Subhashini, IQAC Coordinator
4. Smt K.Rajani, Lecturer in Chemistry
5.Kum.A.Lakshmi Bhavani, Lecturer in Chemistry

Minutes of the Meeting :

Keeping in view importance of Scientific Studies and Enhancement of Science Education and Researches in Botany and Horticulture have proposed to celebrate National Science Day to get awareness recent Scientific researches.

National Science Day is celebrated every year on February 28 in the country to celebrate the discovery of the 'Raman Effect. India's great scientist, CV Raman, invented the 'Raman Effect' on this day and won a Nobel Prize for the same.

The National Council for Science and Technology Communication (NCSTC) proposed to the central government that National Science Day should be celebrated on February 28 every year to mark this discovery. After that, the Government of India accepted that proposal, and the first National Science Day was celebrated on February 28, 1987.

Resolution :

1. It is unanimously resolved to request the principal to accord permission to conduct the National Science Day on 28th February 2022.
2. It is resolved to celebrate Chemistry day on 22-02-2022.
3. It is unanimously resolved to special Cheif Guest of the program was Prof.K.Jyothi : Principal – SVRK Government Degree College(M),Nidadavole.

Letter to the Principal

Ravulapalem,
21/02/2022.

To
The Principal
Government Degree College
Ravulapalem.

From
Departments of Chemistry
Government Degree College
Ravulapalem.

Respected Sir,

Sub: Celebrating National Science Day on 28th February 2022.

National Science Day is celebrated every year on February 28 in the country to celebrate the discovery of the 'Raman Effect. India's great scientist, CV Raman, invented the 'Raman Effect' on this day and won a Nobel Prize for the same.

The National Council for Science and Technology Communication (NCSTC) proposed to the central government that National Science Day should be celebrated on February 28 every year to mark this discovery. After that, the Government of India accepted that proposal, and the first National Science Day was celebrated on February 28, 1987.

Hence chemistry Department is planning to organise National Science day celebrations in our College. In this connection we are going to conduct Outreach Programmes, Exhibits and Poster presentations by all Chrmistry Students. Hence we request you to kindly give us permission to organize the above said events.

Thanking you sir,

PRINCIPAL
GOVERNMENT DEGREE COLLEGE
RAVULAPALEM

Yours faithfully,
Smt K.Rajani, Lecturer in Chemistry 
.Kum.A.L Bhavani, Lecturer in Chemistry
