Copy of the Resolution, Dated 06-11-2022

The Departments of Botany and Horticulture, (Govt Degree College, Ravulapalem) to conduct 'National Science Day' on 28th February, 2022.

Members Attended :

1. Sri Dr.C.Krishna, Principal
2. Satya Murthy, Vice Principal
3. Smt K.Subhashini, IQAC Coordinator
4. Smt K.Rajani, Lecturer in Chemistry
5. Smt.U.Hemalatha, Lecturer in Botany
6. Sri CH.Abhinay, Lecturer in Horticulture

Minutes of the Meeting :

Keeping in view the importance of Scientific Studies, Enhancement of Science Education and Research in Botany and Horticulture have proposed to celebrate National Science Day to create awareness on recent Scientific Researches.

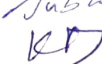

National Science Day is celebrated every year on February 28 in the country to celebrate the discovery of the 'Raman Effect'. India's great scientist, CV Raman, invented the 'Raman Effect' on this day and won a Nobel Prize for the same.

The National Council for Science and Technology Communication (NCSTC) proposed to the central government to celebrate National Science Day on February 28 every year to mark this discovery. The Government of India accepted that proposal, and the first National Science Day was celebrated on February 28, 1987.

Resolution :

1. It is unanimously resolved to request the principal to accord permission to conduct the National Science Day on 28th February 2022.
2. The suggestions made by the principal to encourage all science students in student activities such as outreach programs and inter-college competition were unanimously resolved.
3. It is unanimously resolved to invite Dr.K.Jyothi Principal -Government Degree College, Kovvur as special Chief Guest of the program

Signatures :

1. Sri Dr.C.Krishna, Principal 
2. B.V.V.S.N. Satya Murthy, Vice Principal 
3. Smt K.Subhashini, IQAC Coordinator 
4. Smt K.Rajani, Lecturer in Chemistry 
5. Smt.U.Hemalatha, Lecturer in Botany 
6. Sri CH.Abhinay, Lecturer in Horticulture 

Letter to the Principal

Ravulapalem,
21/02/2022.

From
Departments of Botany & Horticulture
Government Degree College
Ravulapalem

To
The Principal
Government Degree College
Ravulapalem.

.Respected Sir,

Sub: Celebrating National Science Day on 28th February 2022.

National Science Day is celebrated every year on February 28 in the country to celebrate the discovery of the 'Raman Effect'. India's great scientist, Sir CV Raman, invented the 'Raman Effect' on this day and won a Nobel Prize for the same.

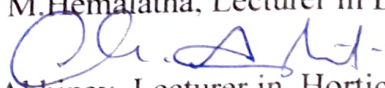

The National Council for Science and Technology Communication (NCSTC) proposed to the central government that National Science Day should be celebrated on February 28 every year to mark this discovery. After that, the Government of India accepted that proposal, and the first National Science Day was celebrated on February 28, 1987.

Hence Botany and Horticulture Departments are planning to organise National Science day celebrations in our College. In this connection we are going to conduct Outreach Programmes, Inter college activities, Exhibit competition and Poster presentations by Botany and Horticulture Students. Hence, we request you to kindly give us permission to organise the above said events.

Thanking you sir,

Yours faithfully

Smt M. Hemalatha, Lecturer in Botany

Sri CH. Abhinay, Lecturer in Horticulture
