<p>Warm Greetings to All!</p> <p>In order to satisfy stakeholder expectations and advance our pursuit of quality, the College Newsletter for <b>April-2023</b> is a fantastic opportunity to highlight our institutional triumphs. I'm thrilled to announce the great news for the college because our students are ready for the six-month internships needed to meet the CCE's IIC requirements. There are planned excursions and a number of departmental events that involve mentors and students. The events have also been planned by the departments for May 2023.</p> <p>The college's personnel frequently got together to discuss academic and non-academic issues that were crucial to the development of the organisation. The institution's numerous events, such as NAAC-CYCLE-3 preparation, SSR, IIQA acceptance by NAAC, paper presentations by staff, semester internship for final year students, and the Principal's meetings with students and staff are covered in great detail in the most recent newsletter.</p> <p><b>Dr. K.
