<p>Warm Greetings to All!</p> <p>The College Newsletter of <b>January-2023</b> is a great opportunity to highlight our institutional successes in order to meet stakeholder expectations and further our quest of quality. Since our students have completed two-month internships as required by the CCE's IIC, I'm delighted to share the college's wonderful news. MOUs are signed, outings are organized, and various departmental activities that included mentors and students take place. The departments have scheduled the events for February-2023 as well.</p> <p>The college's staff often gathered to talk about academic and non-academic matters that were important to the institution's growth. The current newsletter goes into great depth about the institution's many events, such as New Year Celebrations, IIC Internship evaluation, Preparation of AQAR:2021-2022, 'NAAC-CYCLE-3 planning', ToT Trainings on LMS and IIC for staff and the Principal's general staff meeting.
